3.5" Digital Photo Frame

WITH INTERCHANGEABLE MAGNETIC FACEPLATES

DPD308BK

A fun and unique way to show off your photos.

ViewSonic's 3.5" DPD308BK digital photo frame is a fun frame with three separate magnetic snap-on frames (black, pink, baby blue) so you can customize the frame to your mood, your room, or just because. The 4:3 aspect ratio is ideal for displaying today's digital photos with no distortion. Easy-to-use onscreen menus make it easy to create and edit your personal photo slideshows. The integrated clock and alarm function let you set the alarm and wake up to your favorite photo. This stylish, fun digital photo frame is a great gift especially for graduations, birthdays and any other occasion. Keep your family and friends close with the DPD308BK digital photo frame.

- USB 2.0 port allows for fast photo import from your computer
- Supports JPEG photo format
- 4:3 aspect ratio is perfect for today's digital photos
- Three separate magnetic snap-on frames (black, pink, baby blue)
- Slideshow feature lets you add transition effects and vary display speeds
- Alarm and clock features keep you on schedule
- Easy to use on-screen menus
